

15. Job Fair se vraća - poznato i kada!

Legendarni sajam poslova koji s nestrpljenjem poduzeća i studenti već dvije godine čekaju, napokon se vraća i to u punom sjaju!

Kada se održava Job Fair?

Nakon dvije godine održavanja Job Fair Meetupa tijekom kojeg su se studenti i poslodavci mogli hibridno družiti, došlo je vrijeme za **upoznavanje uživo!** Tako je, 15. Job Fair se vraća! Najveći sajam poslova orijentiran na studente tehničkih fakulteta i interesa održat će se **11. i 12. svibnja!**

Što očekivati?

Preko 100 domaćih i inozemnih poduzeća zainteresiranim studentima predstaviti će svoje projekte, tehnologije i znanja na kreativno uređenim **šandovima, talkovima, radionicama i panel raspravama.**

Studenti će s druge strane u razgovoru s poslodavcima moći saznati sve o **možnostima obavljanja prakse i zaposlenja** te se tako upoznati s aktualnostima na tržištu rada.

Koje su novosti?

Uz glavni program Job Faira, posjetitelji će se na kraju prvog dana u opuštenoj atmosferi uz **zabavne aktivnosti** moći družiti s potencijalnim budućim poslodavcima. A sudeći po uzbuđenosti organizatora, očekuje se i nastavak tradicije **Hot Talka** - razgovora u kojem uz konzumaciju ljutih umaka sudionici odgovaraju na jednako vruća pitanja.

Osim toga, **Job Fair se seli!** A gdje točno? Saznajte uskoro!

P.S. Ubrzo otvaramo i prijave za poduzeća!

[Job Fair](#) će biti organiziran u skladu s važećim epidemiološkim mjerama Nacionalnog stožera civilne zaštite koje će vrijediti u periodu organizacije događaja.

15th Job Fair is coming back!

The legendary Job Fair which students and employers are eagerly waiting for two years is finally returning in it's full glory!

When to expect it?

After two years of organising Job Fair Meetup during which students and employers were able to connect hybridly, the time has come to **meet in person!** That's right, the 15th Job Fair is returning! The biggest regional Job Fair oriented for STEM students will be held on **11th & 12th May 2022!**

What will be offered?

Over 100 domestic and international companies will present their projects, technologies and knowledge to interested students via creatively decorated **booths, during their talks on the stage, workshops or panel discussions.** Students will, on the other hand, get a chance to talk to company representatives and learn everything they want about all the **job and career opportunities** that await them on the labour market.

What's new?

Besides the main program mentioned above, visitors will be able to participate in **fun activities** after the first day in a relaxed atmosphere where they can hang out with potential future employers. Also, judging by the enthusiasm of the organizers, there will definitely be another **Hot Talk** on the menu! Hot Talk is a spicy conversation in which the participants consume hot flavored food and answer equally hot questions. Other than that, **Job Fair is moving!** Wanna know where? Stay tuned and find out soon!

P.S. Company applications will open any moment now so be sure to stay updated!

[Job Fair](#) will be organized in accordance with the current epidemiological measures of the National Civil Protection Headquarters that will be valid during the time of the event.
